DEWSBURY SACRIFICES

### DEATH FROM DOUBLE PNEUMONIA.

A few weeks ago we noted that Pte. Horace Scott (19), East Lanes., son of Mr. and Mrs. Robert Scott, Hebble Street, Ravensthorpe, had been wounded in the left arm on August 30th. He notified his parents to that effect, but assured them that they had no need to bother about him, because he would get better. Evidently he did so, but he subsequently contracted lung trouble, and he was admitted to the 73rd General Hospital in France, and died from double pneumonia last week-end. He was a fine lad, connected with the United Methodist Chapel, Ravensthorpe, and very cheerful and well-liked by everybody. Prior to joining up, in May, 1917, he was a twister at Messrs. F. Doble and Co.'s mill, Ravensthorpe, where his father is also employed as a tuner. He went to France in February, 1918. His brother, Driver George Scott, R.F.A., is in Belgium.

E. Lanes., Ravensthorpe  
(died).
